Objective of the fund

The objective of NIT Income Fund is to generate competitive stream of return with moderate level of risk for its unit holders, by investing primarily in fixed income securities/instruments.

Profile of Investment Managers

National Investment Trust Ltd. (NITL) is the first Asset Management Company of Pakistan, formed in 1962. NITL is the largest asset management company of Pakistan with approximately Rs. 71 billion assets under management. In order to cater to varied needs of investors, NITL for the very first time in the 48 years history of the company, ventured in to fixed income category by launching two Funds in the FY10. NIT Government Bond Fund, a very low risk product was launched in Nov. 2009 followed by NIT Income Fund which was introduced in Feb. 2010. With the launching of these two funds the family of Funds of NIT has increased to six funds including 4 equity Funds and 2 fixed income Funds. NIT's distribution network comprises of 22 NIT branches, various Authorized bank branches all over Pakistan and Arab Emirates Investment Bank (AEIB) in Dubai (UAE). The Board of Directors of NITL consists of representatives of leading financial institutions, prominent industrialists and nominee of Govt. of Pakistan. All Investment decisions are taken by the Investment Committee of NITL.

Fund Performance Review

NIT IF yielded an annualized return of 14.36% during the month of January 2012, whereas the benchmark return for the same period was at 11.91%. Year to date return of the fund stood at 12.92%, while the benchmark return for the same period is at 12.66%.

Secondary market rates on Government securities remained on the lower side during the month due to which the fund witnessed a higher return. The TFC portfolio of NIT IF which consists of high quality TFCs mainly from the banking sector also appreciated. The benchmark six month KIBOR reduced to end the month at 11.82% from the previous month close of 12.02%. With inflation being within expectation, State Bank has room to further cut discount rate in the upcoming monetary policy and support the weak economy. It is expected that prices of TFCs will appreciate in the coming month.

NIT IF's asset allocation at the end of the month has around 26% of its total assets in TFCs while around 50% of total assets are invested in Government Securities, 2% of its exposure is in Commercial paper while another 2% of its exposure is in COIs. The remaining is in the form of cash and other assets.
